

# Classroom

## Talk Rules

**1**

**We take turns to speak**

*We wait until it is our turn and do not interrupt.*

**2**

**We listen carefully**

*We look at/ engage with the speaker and listen to understand, not just to reply.*

**3**

**We respect everyone's ideas**

*All ideas matter. We are kind and polite, even when we disagree.*

**4**

**We speak clearly and loudly enough**

*We use a clear voice with a good pace so others can hear us.*

**5**

**We think before we speak**

*We try to make our ideas clear and on topic.*

**6**

**We build on each other's ideas**

*We add to what others have said or explain why we think differently.*

**7**

**We use full sentences**

*We explain our thinking as clearly as we can.*
